

**RUSSIAN COMPANIES PRESENTED AT THE RUSSIAN NATIONAL EXPOSITION DURING IZMIR
INTERNATIONAL FAIR 2017**

1. VL Travel company (Travel services)
2. AgroStroyInvest (Agriculture: Design and construction of greenhouses, livestock/breeding complexes, irrigation systems, refrigerated warehouses, fruit gardens turn-key project, automation of food production)
3. Special Economic Zone "ALABUGA"
4. Tula Region Development Corporation (Government of Tula Region)
5. Dagestan Development Corporation
6. SPECIAL ECONOMIC ZONES IN RUSSIA
7. Russian-Turkish Business Council
8. Russian Helicopters (Multipurpose helicopter manufacturer)
9. ROSHIMZASCHITA (KROHZ) (respiratory safety technology, design and manufacture of individual and collective breathing regenerative systems)
10. Geotek (Innovation technologies in geomonitoring, geodynamic safety, earthquake prediction and landslide processes. Automated Early Warning System for Dangerous Geological Processes)
11. Döcke Group (Bitumen Shingles)
12. Donugol (Coal Mining)
13. Kama Innovation Regional Industrial Cluster "INNOKAM"
14. Mechanical Engineering Cluster of the Republic of Tatarstan (Design and engineering development; Production and repair of machine tooling, Production of automotive components and products for machine building; Design of automobiles; Metal processing; Wood processing; Plastics and compound materials processing; Software development; Production of materials for oil and gas extraction, oil and gas processing, petrochemical, energy industries)
15. INNOPOLIS Special Economic Zone
16. Lipetsk Machine Tool Enterprise (Machine tool manufacturing)
17. Magnitogorsk Iron and Steel Works (MMK)
18. Modul LTD (manufacturing of protected steel constructions and armored glass)
19. MEMBRANIUM (manufacturing of nanostructured membrane flatsheet and membrane elements)
20. Novomet (manufacturing of surface pumping systems, horizontal surface pumping systems, surface fluid pumping technologies, water-gas injection systems)
21. StavPritsep (engineering design, development and production of trailers and semi-trailers for trucks)
22. NPP Technofilter (development and production of microfiltration membranes, filter elements and filtration systems for filtration of liquids and gases)
23. Tamansky Ferry Terminal LLC (transport)
24. Forsage (technical fluids and oils)
25. Narzan (Natural mineral water)
26. Meatec (Metal-working machinery)
27. Modul LTD (Bank protection equipment, slanting constructions)
28. StekloExport (design and manufacture of exclusive glass packaging)
29. GAZ Group (Russia's largest manufacturer of commercial motor vehicles)
30. Vershina (Frozen Ossetian pies)
31. Sady Stavropolya (Industrial fruit nursery)
32. Standart (Construction materials)
33. Slasti (Confectionary)
34. Alseason Armkhi Resort (Hotel)

35. Aviaservice Airpot Voronezh (Airport)
36. Enercom (Energy saving solutions manufacturer)
37. Zarya (Lamb meat supplier)
38. Mastercom (Construction)
39. Naberezhnye Chelny Crane Plant (Crane manufacturer)
40. Korib Group (Sale of cars and spare parts)
41. Industrial Park Chelny
42. Break Mechanisms Plant (Break devices manufacturer)
43. Metallurg (Spare parts for trucks and trailers manufacturer)
44. Endaxi (Wheat production)
45. Akrilan Ltd. (Waterborne polymer)
