**The Second Edition of the 2020 Virtual BOS
13 & 14 October 2020**

1. **The second edition of the 2020 Virtual Business Opportunities Seminar (BOS) will be held on 13 & 14 October 2020.** BOSs are the main fora to help strengthen the relationship between the Bank, its shareholders and the private sector from the Bank Group's member countries looking to provide goods, works and services to the Bank or to Bank Group projects in Africa. These meetings are held twice per year.
2. **The first BOS of the year was held virtually on 28 April 2020, in light of the COVID-19 pandemic.** We were pleased to witness the participation of more than three hundred participants across five continents and the feedback received from the post-BOS evaluation was positive (For further information please click [here](#)). The session on the experience of private sector companies working with the AfDB focused on agriculture with the participation of the [Office Chérifien des Phosphates \(OCP\)](#).
3. **Holding the BOS virtually has also generated significant savings for the Bank as well as for participants.** Due to the virtual nature of the BOS, geographic representation was much more diverse. However, the time slot (9am-12pm Abidjan time) was favorable to some time zones but less to others. We were also unable to organize B2B meetings as we always did for in-person BOS.
4. **We have taken these lessons into consideration in the design of the second BOS** by meeting first on Tuesday 13 October 2020 from 8:00 to 14:00 UCT. The same content will be presented on Wednesday 14 October 2020 from 11:00 to 17:00 UCT. This will allow for participation from different time zones. This BOS will include presentations by the African Development Bank Group sector and policy experts with Questions & Answers (Q&A) sessions, as well as virtual parallel and thematic bilateral meetings. The agenda for the *e-BOS* is in the annex. We appreciate you informing your capitals and other interested parties accordingly.
