ENTREPRENEURSHIP: The Catalyst for Industrialisation & Trade

ACCELERATING ENTREPRENEURIAL PURSUITS

ZITF 2024: THE OPPORTUNITIES PLATFORM

The entrepreneur always searches for change, responds to it and exploits it as an opportunity ~ Peter Drucker

The 64th edition of the Zimbabwe International Trade Fair (ZITF) will proffer a kaleidoscope of opportunities for the driving force behind innovation, job creation, and sustainable development – “the entrepreneur”. Rooted in the recognition of the vital role that entrepreneurship plays in driving economic growth, fostering innovation, and propelling industrialisation and trade, ZITF 2024 will run under the theme, “Entrepreneurship: The Catalyst for Industrialisation and Trade.” Whether it is through the creation of new business ventures or the pursuit of corporate entrepreneurship within established organisations, these visionaries who dare to dream big, and act on it, have the power to ignite industrialisation and propel economies forward across all 7 continents.

The premier exhibition will showcase various industries and sectors that exemplify the entrepreneurial spirit. From manufacturing and technology to agriculture and value-added services, ZITF 2024 will provide a platform for local and international delegates and exhibitors to connect, collaborate, and explore new business opportunities.

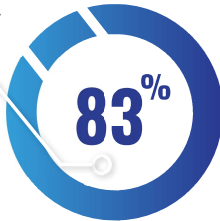

Take the first step towards unleashing your entrepreneurial spirit by participating in ZITF 2024. Register now and secure your place in this extraordinary journey of discovery, collaboration, and success!

ZIMBABWE... A COUNTRY ON THE MOVE

ABOUT THE HOST COUNTRY

Zimbabwe is a culturally diverse Southern African country known for its dramatic landscape, diverse wildlife, vast mineral resources and warm people. With a skilled labour force that forms part of the 15 million+ population, and easy access to regional trade routes, it is a prime hub for economic players from across the globe. The country is a member of many international organisations, including the African Development Bank (ADB), African Union, Common Market for Eastern and Southern Africa (COMESA), International Monetary Fund (IMF); Southern African Development Community (SADC); and the United Nations (UN) as well as a party to a number of trade agreements. The country has diversified economy which offers ample opportunities for backward and forward linkages across different sectors that include tourism, mining, agriculture, education, transport and infrastructure development, manufacturing, information, communication and technology among others. **But don't just take our word for it, come through and experience Zimbabwe for yourself!**

23 - 27 April 2024

Scholastica is Zimbabwe's leading education, careers, and training expo that supports the sector to become an industry solutions provider. This year's expo brings together institutions, career consultants, industry experts, continuous development professionals and students to adopt innovativeness, critical and creative thinking, and an entrepreneurial mindset. To register for participation, email:

scholastica@zitf.co.zw

A'sambeni provides a focused platform for the display of and sharing ideas on the latest trends, products and solutions for each industry segment, including: destinations, hotels & lodges, travel & mobility, activities & attractions, meeting venues, incentive travel, conference and events consultancy, business travel, and leisure & culture travel.

23 - 27 April 2024

Ultim8 Home is the go-to exhibition for anyone passionate about and/or providing that "new look" to interior design, renovation or construction projects. The expo showcases an array of fixtures and finishings for comfortable indoor living as well as modern construction methods and materials.

23 - 27 April 2024

Pakprint is the premier printing and packaging expo that connects printing and packaging specifiers and buyers with the suppliers, new materials and formats and the expert knowledge to create the future of their brand's printing and packaging needs. Pakprint 2024 will focus on promoting efficiency, waste reduction, recycling and eco-friendly production.

The Bulawayo Agricultural Show

The Bulawayo Agricultural Show takes place annually concurrent to the ZITF. This year's edition will provide an interactive platform for sharing knowledge and ideas on advancing innovation in agricultural development. The show will feature displays by commercial & non-commercial farmers showcasing livestock, crop produce, fruits and vegetables as well as cutting edge innovations, products and services such as agri-tech solutions. It also incorporates home industries displays and school projects for juniors.

For more information get in touch with us at info@bulawayoagriculturalshow.co.zw or call us on 090 000 0000. The show is held at the Bulawayo Sports Grounds, Bulawayo. For more information visit www.bulawayoagriculturalshow.co.zw
