Dear Mr. Erkan Kiper,

I am reaching out on behalf of PT Etana Biotechnologies Indonesia. We would like to thank you for your visit last Wednesday (October 12nd, 2022).

We are writing this letter in relation with our discussion we had in context of business partnership,

PT Etana Biotechnologies Indonesia ("Etana") is an emerging producer of high-quality, affordable and innovative biopharmaceuticals to treat a range of metabolic, autoimmune and other major life-threatening diseases, including cancer. In order to best serve patients, Etana has established a network of strategic alliances and partnerships with international pharmaceutical producers with a strong track record in researching and developing safe and efficacious pharmaceuticals, enabling Etana to offer new treatments to the Indonesian market and global market.

We would like to offer you a cooperation to supply COVID-19 Vaccine platform mRNA to Turkey. AWcornia is the first Halal mRNA vaccine in the world and have excellent stability, it can be stored and distributed under 2-8°C. You can refer to the product brochure to see the details of the product.

We also looking for opportunity to cooperate such as investation or another product to supply, we also enclosed our company's profile for your reference. We eagerly look forward for positive response from you. Thank you.

Sincerely,

Indra Lamora
