& Trade

INVITATION

A global investment event approved by UFI
(the Global Association of the Exhibition Industry)

The Largest and Most Influential International Investment Promotion Event

China International Fair for Investment & Trade is organized by the Ministry of Commerce, P.R.C. Themed on "Introducing FDI" and "Going Global", CIFIT organizes a series of bilateral investment promotion events, authoritative information release and investment trend discussion forums. After 35 years of development, it has become one of the most influential international investment events in the world. Recent years, each session of the CIFIT received professional participants from governmental institutions, investment promotion agencies, business associations and multinational corporation of more than 100 countries and regions, government officials from more than 300 major cities of 31 provinces, municipalities, and autonomous regions in China, 1000 business delegations with over 5000 companies and 50,000 business professionals. Correspondents from nearly 100 domestic and foreign mainstream media followed the event with extensive coverage.

The 22nd CIFIT is scheduled to be held in Xiamen, China, from Sept. 8th to 11th, 2022. The event this year focuses on high-level opening up and international investment cooperation, highlighting such trendy topics as green industry and digital economy through forums, authoritative information releases, industry showcases, B2B matchmaking, cross-border investment cooperation and other forms of activities. The 22nd CIFIT aims to serve the Belt and Road Initiative and multilateral and bilateral cooperation, constantly deliver good news of investment in China, seize new opportunities for international investment, and build an international public service platform facilitating two-way investment.

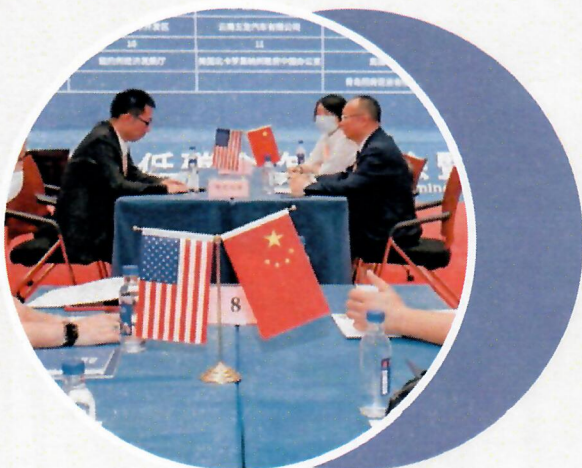

The CIFIT Organizing Committee sincerely welcomes investment promotion agencies, chambers of commerce, industrial associations, multinational corporations and renowned companies worldwide to the grand platform and share business opportunities.
