REF: Cordial invitation to participate in the EXPO 3.6 Fair

Distinguished Ambassador,

I present my compliments to you, wishing you success in your functions, and I have the honor to let you know herewith that the **First Version of the EXPO 3.6 Fair "La Paz Feria Con Altura"** will be held.

For the planning and execution of the event, a work team with a great experience in the field was established, which is working so that the aforementioned fair becomes an exceptional window of opportunities for the entire country, with the plan of transcending at an international level; with the mission of turning our city into a benchmark for fair business among the main capitals and, at the same time, giving national and international exhibitors the possibility to show their products and services.

With the aim of exceeding 500 exhibitors, 10,000 visitors and getting a high income for the country's economy, the event will be held from July 6 to 17 of this year, in the Chicago Marka Fairground, hosting small, medium and large, commercial and service companies; financial entities; public institutions from all over Bolivia and invited countries.

Likewise, we inform you that we have a strategic alliance agreement with the Autonomous Government of La Paz

For these reasons, I invite you to be part of this project as a guest country, granting you a free space of 9 m2, in the high red pavilion, and thus we will be honored to receive Your Excellency at the press conference and at the opening. For such purposes, we will send you the invitation in a timely manner and, if necessary, a face-to-face meeting could be scheduled for the presentation of the project by our competent staff.

In the hope that we may count on your attendance and willing to expand the information, I say goodbye and reiterate to you the assurances of my highest consideration.

Kind regards,

Patricio Irusta M.
EXECUTIVE PRESIDENT
LA PAZ FERIA CON ALTURA
